

## Rights And Permission License

The use of all material authored, published, or distributed by Adam Woeger, of Colorado Springs, Colorado, is governed by the terms of this license, as updated from time to time. The current version of this license can be found only at [www.glorify.com/permission.pdf](http://www.glorify.com/permission.pdf) — which is available on Adam's official web site.

It is Adam's goal to help everyone be exposed to the Gospel of Jesus Christ, through the Internet, by way of the writings, books, music, and media that he publishes and allows people to use, to increase their faith, and increase their knowledge and relationship with God. While the work of publishing the Gospel to the world is not free, Adam has chosen to live by faith, and to rely on the gifts and offerings from people who believe in his personal ministry vision, and his unique distribution method, to give away his Christian materials for free to reach the widest possible number of souls. No fee is required to download and use any of Adam's works.

1. Feel free to download from Adam's [Glorify.com web site](http://www.glorify.com) as many of the free Christian books, writings, hymns and worship music, and other resources that bless you, for your own personal use and enrichment.
2. All of Adam's recent works are copyrighted to protect against unauthorized modification or distribution. This is to protect and preserve the Biblical accuracy, and ensure that only original copies are distributed. No person, web site, or publisher may distribute, by any means, any of Adam's works, without the express written permission from Adam, except for the following ones that allow for distribution: *Gospel, I Gave You My Best, Limiting God, Christ Died For You, Every Soul Counts, Your Walk With Christ, Help Bless.*
3. Adam in no way endorses the distribution of his works via spamming. You are not allowed to send out his works, links to his web site, or links to any of his works, as unsolicited or spam E-mails or faxes. Sending out unsolicited spam E-mail is also a violation of many Internet Service Providers' rules, and may subject the sender of spam to penalties, fines, possible legal action and may be considered copyright infringement.

Adam Woeger is an Internet evangelist, Christian minister, author, publisher, and archivist. Adam's goal is to help get quality Christian resources out to people around the world, **so that they may be more like Christ.** His mandate from God is to **deliver hope to a lost a dying world.** He uses technology to keep the expenses of his personal outreach ministry down, so that more people can be reached with The Gospel and The Bible.

If you would like to be a part of what God is doing through the work and outreach of Adam Woeger, please pray for Adam regularly, and Adam would be happy to receive any financial gifts that you care to give him. God has not called Adam to run a 501(c)3, or an incorporated church or ministry, but rather to continue to do his personal outreach ministry as an individual. Any free-will love gifts are treated as a gift to an individual.

Thank you in advance for any gifts that you may care to send as a patron to support this worldwide outreach!
